Greater Tampa Bay Permitting Round Table

The Greater Tampa Bay region continues to lead the state of Florida in both commercial and residential development. With such growth brings an increase in permit applications and the challenges that follow. CCC members and guests include professionals from the design, development & construction industries that rely on guidance & information from our municipal partners. Join us for lunch and an informative permitting update.

Speakers

- Brad Tippin - Pasco County Development Review Manager
- JC Hudgison - City of Tampa Chief Building Official
- Richard Cabrera P.E. - Engineering Review Mgr Hillsborough County
- Tiffany Leal - President of Absolute Civil Engineering Solutions
